

## Tusdeer Partners-of-Success Awards 2017

Tusdeer, the Bonded and re-Export Zone at Jeddah Islamic Port, held an award ceremony for its partners of success and a gala Iftar at the Assila Hotel. The celebration was graced by the General Director of the Customs Department of Jeddah Islamic Port Mr. Abdullah Al Fallai together with SISCO CEO and Tusdeer board member Eng. Mohammed Al-Mudarres. Among attendees were several key government officials from JIP, Coast Guard, Saudi Customs alongside clients and key suppliers.

During the event, Mr. Hemanth Prakash, shared the latest added value services rolled out in 2017. He also highlighted the company's new strategies goals including becoming a turn-key logistics hub with international standards in order attract global players in line with the ambitious Kingdom 2030 vision. Mr. Prakash then cited the significant role Tusdeer partners play in the success of the company and emphasized that Tusdeer will continue to reach-out to its partners to understand their needs and learn from their feedback.

Tusdeer is a 1-million square meter bonded zone inside Jeddah Islamic Port. It is ideally situated to serve as the key logistics partner in the region with a large service portfolio including: lead logistics, trucking, warehousing, port services, port-to-door integration, co-packing and many more. Its unique value proposition attracts both local and international major partners such as Abdullatif Jamil, Nestle, DB Schenker, Bakhshab and Saudi Cable.

It is worth mentioning that Tusdeer is actively seeking to continue its success stories with its partners, further develop its suite of high quality logistics service offerings, and continue to be a catalyst to the local economy and job-creation driver. Tusdeer is also providing stimulating career opportunities to young and ambitious Saudis who seek to become supply-chain experts.
